Toro Tractors... for Turf or Highways!

● Toro Tractors are built specifically for turf operation and have made an outstanding name for themselves on golf courses, cemeteries, municipal park systems, airports and highways all over the world.

● Trim graceful lines, ample power, yet reasonably light in weight, and they can't be beat for turf maintenance.

● You can do the job in a hurry with a Bullet. The new four cylinder Ford Engine is highly efficient and economical. Saves gas, labor and time. Service anywhere in the world.

May we hear from you?
